## RECI MARKETS FINAL SUITES FOR SALE AT NAPER COURTYARDS WITH HUGE PRICE REDUCTIONS

*Lombard, IL – March 1, 2011* – Since the earliest stages of concept and design, RECI has been involved and worked closely with a wide number of professionals who developed, designed, financed, constructed and assigned RECI to market the professional center known as NAPER COURTYARDS which features over 46,000 square feet of office condominium space. RECI has brokered approximately 32,500 SF in sales to date.

In a tentative but recovering marketplace, the Naper Courtyards ownership team has approved an attractive call to action with dramatic price reductions and feels strongly these measures will spur interested prospects off the fence and into their own new professional suite.

### NAPER COURTYARD HIGHLIGHTS:

- **Dramatic Price Reductions**
- **Remaining Suites From 1,374 to 4,733 Square Feet**
- **Excellent Naperville Location**
- **Established Professional Community**
- **Located Along Robust Rt. 59 With Easy Access To I-88**

The marketing plan for Naper Courtyards has been retooled by James A. Hopkins, RECI President & Managing Broker and Mark Vavruska, RECI Senior Vice President, both of whom have devoted much time and concerted effort to every deal negotiated on behalf of Naper Courtyards ownership.

In cooperation with ownership and the RECI Marketing team, Vavruska has organized a “last blast” campaign that combines marketing to select small and medium sized business owners throughout Naperville, Bolingbrook, Plainfield and Aurora to direct communications with the Chicagoland broker community and Fox Valley media with updated postings on the RECI Web site, professional and social networks and multiple on-line real estate databases.
